The golf tournament will be held at the award winning Granite Bay Golf Club on Monday, May 7, 2012

Our goal is to raise at least \$50,000 for our designated charity. The day promises to be fun and eventful for the members of the construction industry.

Builders Fore Kids is committed to making a difference in the lives of children. Proceeds from the 2012 Builders Fore Kids Tournament will be used to help the following children's program:

TEACHFORAMERICA

Teach For America is growing the movement of leaders who work to ensure that kids growing up in poverty get an excellent education. We are working to solve this problem by:

Enlisting Committed Individuals

We recruit a diverse group of leaders with a record of achievement who work to expand educational opportunity, starting by teaching for two years in a low-income community.

Investing in Leaders

We provide intensive training, support and career development that helps these leaders increase their impact and deepen their understanding of what it takes to close the achievement gap.

Accelerating Impact

A growing movement of leaders, now 33,000 strong, works at every level of education, policy and other professions, to ensure that all children can receive an excellent education.
